Motion To Enforce Court Order

Greetings,

I am writing in regards to asking that this Court enforces the defendants to provide a date that would allow the plaintiff to review Inspector General's file IAD-11-1506 please. This is in Pursuant to the Court's recent Decision and Order on plaintiff Discovery Motions. As this Court knows that Discovery was to be completed by 8-18-17, I received notice from David J. Sleight, AAG saying a OSI Investigator will be in contact with me shortly please see copy of notice enclosed. Plaintiff has not heard from neither parties since the notice dated enclosed. Plaintiff has reached out to both parties in seperate letters recently as well.

Respectfully Submitted

RE: Lionell Nelson v. Gleason, et al.
Civil Action No: 14-CV-00870-RJA-HBS

Dear Mr. Nelson:

Pursuant to the Court's recent Decision and Order on your discovery motions, this letter will serve to advise you that I have been in contact with DOCCS Office of Special Investigations ("OSI") to arrange for a controlled review of Inspector General's file IAD-11-1506. As I previously advised, DOCCS does not permit inmates to have copies of OSI files; however, DOCCS does permit inmates to conduct controlled reviews of OSI files in the presence of an OSI investigator. During the controlled review, you will be able to take notes, but you will not be permitted to make any copies.

OSI Investigator Thomas Todd will be contacting your facility shortly to make arrangements for your controlled review.

Very truly yours,

DAVID J. SLEIGHT
Assistant Attorney General
